

Raw Emotion

by Clarissa Ballesteros April 8, 2015

*iv'e tried so hard to be who you want me to be
but every time i look in the mirror i can't even find myself*

who is the girl i'm supposed to be

cause i can't find her i can't see

why don't i feel like i can be me

when i'm around you

iv'e tried to be the perfect girl in this family

just for you

what am i supposed to do

when i can see the cold hard truth

that i feel like i may never be good enough for you

iv'e tried so hard to hide the tears

and pain i have inside

do you even know how many tears i have cried

every night

iv'e tried to be everything you want me to be

but now i don't even know what the meaning of family is

anymore

it's like one door closes and i'm left alone in front of an empty door

can't you see you have hurt my heart down to the core

who is that girl i see staring back at me in the mirror

why isn't it clear

to me

why can't you see you have ruined me

cause now i can't recognize my own self

i have to put my empty heart on a shelf
